Package type: CT á 1 pce

## PRODUCT SPECIFICATIONS:

|                                            |                                  |
|--------------------------------------------|----------------------------------|
| Suitable for                               | Cable lugs and connectors        |
| Compression shape                          | Universal (exchangeable inserts) |
| Cross section (mm <sup>2</sup> )           | 4 - 150                          |
| Min. AWG-size                              | 10                               |
| Max. AWG-size                              | 0                                |
| Length (mm)                                | 400                              |
| With locking device (for mechanical tools) | Yes                              |
| Construction/operation                     | Accumulator-hydraulic            |
| Inserts exchangeable                       | Yes                              |
| Number of included inserts                 | 0                                |
| With automatic return                      | Yes                              |
| Cycle time (s)                             | 2 - 4                            |
| Compression force (kN)                     | 50 - 50                          |
| Battery (rechargeable)                     |                                  |
| No                                         |                                  |
| Yes                                        |                                  |
| With wire cutter                           | No                               |
| No                                         |                                  |
| Rotatable                                  |                                  |
| Weight (kg)                                | 2.6                              |
